

SMOOTH.

The
best shaving
experience you'll
ever have is going to be
the one with our new

REMINGTON

Lektronic IV

C O R D L E S S

As the serious, respectable and thorough man that you are, you have to keep those facial hairs down, but every morning is a dreadful pain in your sensitive face.

Since you are reading this, you

know it doesn't have to be like this! With the newest and best technology we have developed a new shaver so that every man can experience a smoother shaving, even for a man with sensitive skin.

The new Remington Lektronic IV is also cordless and comes in a handy size, so that you can experience it everywhere. Come on, go buy it today at your local hair salon! You won't regret it.
